## **Stewardship**

The focus of today's feast is the total self-giving of Jesus. The bishop's stewardship pastoral reminds us that "the glory and the boast of Christian stewards lie in mirroring, however poorly, the stewardship of Jesus Christ, who gave and still gives all he has and is, in order to be faithful to God's will and carry through to completion His redemptive stewardship of human beings and their world."

*...Stewardship by the Book, by Sharon Hueckel*

Stop and think of yourself as a Christian steward. How did you spend your day? Was it a glorious day in which you could boast of mirroring Jesus? Did you give all you have or all you are, in order to be faithful to God's will and carry through to completion, the work that God asks of you to do?

***A Special Thank You*** goes out from the Stewardship Committee to all who helped make our Parish Picnic a big success! All the helpful people and smiling faces very much mirrored the stewardship of Jesus and made for a great time. The Stewardship Committee thanks all for helping them complete their goal from the "All Committees" fall gathering! It is great to see a goal met so successfully.

## ***Stewardship Committee Mission Statement***

It is the Mission of the Stewardship Committee to encourage and assist all Parishioners to find the joy of giving and multiply their talents, to benefit fully of the covenant promises of peace and joy beyond all understanding and to see the abundance of the Lord in the land of the living.
