Dear Parishioners,

While I am away here with my mother who has been transferred to the Intensive Care Unit of the Hospital where she is battling very bravely for her life, I do think of you all with deep gratitude and much love for your prayers and great patience. My mother almost lost the battle for life on Sunday, Feb 27. Presently she is on a ventilator to support her breathing and had to undergo a dialysis yesterday.

I was supposed to head back to Hornell today (March 1st) but I have to stay a little longer to see how these new interventions are working.

Meanwhile, someone forwarded this piece to me on my email and I found it very interesting and wish to share it with you all.

Keep well and God bless you all

Fr. Peter Anglaaere
Pastor

Isn't it strange how a 20 dollar bill seems like such a large amount when you donate it to church, but such a small amount when you go shopping?

Isn't it strange how 2 hours seem so long when you're at church, and how short they seem when you're watching a good movie?

Isn't it strange that you can't find a word to say when you're praying but..you have no trouble thinking what to talk about with a friend?

Isn't it strange how difficult and boring it is to read one chapter of the Bible but how easy it is to read 100 pages of a popular novel?

Isn't it strange how everyone wants front-row-tickets to concerts or games but they do whatever is possible to sit at the last row in Church?

Isn't it strange how we need to know about an event for Church 2-3 weeks before the day so we can include it in our agenda, but we can adjust it for other events in the last minute?

Isn't it strange how difficult it is to learn a fact about God to share it with others; but how easy it is to learn, understand, extend and repeat gossip?

Isn't it strange how we believe everything that magazines and newspapers say but....we question the words in the Bible?

Isn't it strange how everyone wants a place in heaven but...they don't want to believe, do, or say anything to get there?

Isn't it strange how we send jokes in e-mails and they are forwarded right away but when we are going to send messages about God, we think about it twice before we share it with others?

Stay safe, be blessed and have a wonderful relationship with God.
