Painless Giving...

Here's a “painless” way to increase your giving. Many companies have gift-matching programs where the company will match any contribution that an employee makes to a charitable organization. Our Lady of the Valley has received matching gifts from some companies.

To participate, contact the Human Resource Department where you work. Ask if your company has a gift-matching program. Normally, you tell the company how much you contribute to the parish, they, in turn, match your gift. Everyone wins. The parish gets additional contributions; the company contributes to a worthy cause; you get the satisfaction of bringing more money to the parish without actually taking more from your bank account.
