Parents Please read this - Altar Server Training

It is time again to look for these children - boys and girls - that would be interested in serving the community on the Altar. Anyone currently in 4th. grade or older is welcome to volunteer for this ministry. Please have a honest discussion with your child if they are interested. Please give honest consideration if they are ready - Can they take direction well? Can they sit through mass patiently? Are you willing to help make sure they fulfill this commitment by following the schedule? At this age some children are ready and others should wait. Parents should be willing to work as hard at getting their child to mass as they do getting them to sports and others activities.

A training session will be done during the school day for those at St. Ann School. There will be a training October 15, 12:00 following the Sunday mass. All those interested **MUST** attend one of these sessions. Parents are encouraged to stay to learn a little to help reinforce the teachings. All current Altar servers are welcome to reinforce what they already know and help with the new servers.
